History: This message has been replied to and forwarded.

All: I will be out at a meeting all of next week, so wanted to get this to you before I leave. I am attaching what I believe is a final agenda for the meeting at the Chesapeake Bay office on July 27. I thank Kelly Shenk, Lisa Duriancik, and others for putting the effort together.

This looks like a full agenda, so we will need to try to remain relatively focused. Because of the nature of discussions, I wish them to be relaxed and informal.

We appreciate Rich Batiuk and the Chesapeake crew hosting this meeting, once again.

Please take a look at the "To" list and see if there is anyone who I inadvertently left off.

See you all on the 27th.
